### Literacy

This is the most important page in your planner (from the point of view of literacy anyway!): **P95**

Here you will find useful discourse markers and connectives. Refer to these if you're doing any extended writing in any subject! Have it in front of you when doing an extended writing. It will help develop your writing – and your critical thinking skills.

Our Theatre Machine programme is the ideal training ground for budding young performers who have a love of musical theatre.

The programme is designed for beginners and improvers who want to develop their skills in a nurturing and supportive environment. No audition is required and a free trial is offered with feedback from the teachers.

Classes focus on the integrated skills of acting, singing and dancing and work towards a fabulous showcase every year, plus an end of year celebration assembly where certificates of achievement are awarded.

All classes are taught by an excellent team of experienced teachers.
