

Highcliffe School Student Bulletin

Monday 21st – Friday 25th January 2019: Week B

General Notices

Poetry Live Conference (LFY)

Students taking part in the Poetry Live Conference in Bath on Friday 25th January please check with your teacher to find out which coach you are travelling on.

- Meet outside main reception by **7.50am**, wearing your school uniform. We will depart at 8am.
- You will need to bring a packed lunch, snacks and drink with you. **DO NOT BRING ANYTHING CONTAINING NUTS.**
- Bring your pencil case and a notebook with you.
- We aim to arrive back at school by **5.25pm** so make sure you have made arrangements to be collected at the end of the day.

If you have any questions before Friday please come and visit Mrs Fry (En4) or Mrs Guerrini (En3).

Attention Year 9! (DBN)

Look out for news about a debate club starting in January for Year 9s. If you enjoy discussing, debating, and challenging different points of view, then make sure you're involved! See Mr Bryden in En1 if you want to know more.

Johoku 2019

As usual, the school will be welcoming approximately 15 Japanese students from our partner school in Hiroshima. They will be here from about mid-March for about 12 days. Would you be interested in hosting a student? If so, please let me know. Look out for letters at the start of January! Mr Bryden

PE Corridor Storage (MYP)

Please be aware that on the Inset day February 1st the last remaining bag storage unit in the PE corridor will be removed.

Therefore, before the end of next week, if you have any personal belonging stored there or on the lockers **please remove them**.

Any items left on these storage units or the lockers will be taken to Lost Property, where they will only be kept for a fixed period of time.

This is the most important page in your planner (from the point of view of literacy anyway!): **P95**

Here you will find useful discourse markers and connectives. Refer to these if you're doing any extended writing in any subject! Have it in front of you when doing an extended writing. It will help develop your writing – and your critical thinking skills.

Music Notices

Music Clubs for Spring Term

Joseph and the Amazing Technicolor Dreamcoat- Wednesday 30th January 7pm

Scientifique - Highcliffe

FREE science, engineering and technology based talks

Venue : The Castle Kitchen, Highcliffe Castle BH23 4LE

Time : Opens 5.00 pm for food and drinks. Talk starts 6.00pm FREE ENTRY

(Approximately 40 min talk followed by refreshment break then Q&A until 8.00pm)

Thurs Jan 17th- *The Smartphone: More than just a neat little gadget* - Dr Geof Haigh

Thurs Feb 21st- *How your Satnav works* - Ernie Ball

Thurs March 21st- *Forensic science* - Dr John Twibell

Why not make a date now?

This is an opportunity for anybody of any background and of any age with an interest in science to come along and hear topical talks from a wide array of speakers. Subject areas will span the environment, engineering, conservation, modern technology, medicine and more.

It is a great way of meeting new friends in your local community as well as learning something new for the price of a cup of coffee or glass of wine. Food also available

Information on meetings can be found on the website: www.cafescientifiquehighcliffe.org.uk

Or telephone 01425 275959 or look at our Facebook page: [cafe-scientifique-highcliffe](https://www.facebook.com/cafe-scientifique-highcliffe)

LECTURE SERIES

2019

Held at

Ballard School-Performing Arts Centre

Fernhill Lane, New Milton BH25 5SU

LECTURE

1

Thursday 31st January 7.00pm
MILITARY TO MORTAR

Join **Adam Elcock** for an inspiring talk about his journey from the Special Forces through to his second career as a Chartered Surveyor.

Adam will also talk about his work with Forces' amputees, covering their inspirational and record-breaking challenges across the globe; showing how having a disability doesn't need to stop you achieving your dreams.

LECTURE

2

Thursday 7th February 7.00pm
OLYMPIC SAILING

Join **Hannah Snellgrove**, three times National Laser Champion, who will be talking about her successful sailing career and her bid to be part of Britain's Olympic team for the Tokyo games.

Hannah will also reflect on her school days at Ballard and her later academic life at Cambridge University, where she achieved a First in Natural Sciences.

LECTURE

3

Thursday 14th March 7.00pm
ULTIMATE CRIME FIGHTERS

Join retired **Detective Chief Inspector, Mike Neville**, for a fascinating insight into the work of New Scotland Yard's elite force of 'Super Recognisers'.

This team have an extraordinary ability; a 'superpower' to remember faces, enabling them to crack some very famous cases including the Salisbury Novichok case. Could you be a 'Super Recogniser'?

LECTURE

4

Thursday 21st March 7.00pm
ROLLS-ROYCE PIONEERING ENGINEERING

Join **Aymon Collins and James Rogers** as they deliver an engaging insight into 'a day in the life of' engineers at Rolls-Royce; inventing, designing, making and maintaining some of the most complex machines that have ever been made.

From Spitfires to nuclear submarines; learn some of the incredible history of this pioneer of cutting-edge engineering technology.

A series of stimulating and wide-ranging presentations; from the Special Forces to superpowers, and from Olympic sailing through to ocean liners. Designed for parents and pupils from Year 6 and above (although younger children are also welcome). The lectures start at 7.00pm.

Please book your place via the Ballard Box Office: www.ballardschool.co.uk/box-office.html
