General Notices

End of Term Arrangements

A reminder that school closes at 12.20pm on Friday 5th April for the Easter Holidays. Please ensure you make the correct arrangements for being collected. The School coaches will pick students up at 12.20pm. The School reopens for students on Tuesday 23rd April.

The Big Battery Hunt (SCN)

The Science department are promoting this initiative. We have given all Y7 students a box to collect their used batteries in for recycling, but we would like to encourage all students and staff to join us and bring in used batteries from home. We now have a large collection box situated in the library.

Please inform all your tutor groups and get involved. The more batteries we collect the better for the environment and a chance to win prizes for school too.

Batteries we are collecting are AAA, AA, C and D
