

Highcliffe School Student Bulletin

Tuesday 7th – Friday 10th May 2019: Week B

General Notices

Head lice (ERD)

We are aware of a recent outbreak of head lice within the school, seemingly this has not affected a wider group of pupils but just please do be aware and complete regular checks of your child's head.

Lost Property (ERD)

We currently have the following items in Student Support:

Mobile phone

Fitbits

Jewellery

If you have lost any of the above please visit Student Support with a description of your missing item.

SAVE THE DATE: Family Movie Night, July 13th

We are excited to announce that a small group of Year 9 parents have agreed to re-start the Highcliffe Friends (PTA) with a summer event on July 13th. Based on the success of this event and the support from parent & student volunteers on the day, they will commit to leading a larger calendar of events for the 2019/2020 school year.

The summer event will be an outdoor movie night on Saturday July 13th on the school field. We will show two movies, a family movie and a teen/older movie which will be selected by the students voting in school. There will also be food & drink stalls and fun activities for the children.

Watch this space for further details, ticket sales and requests for volunteers to help run the event on the day. If you have any questions, or would like to get involved, please email friends@highcliffeschool.com

Student Support (ERD)

A reminder on procedures for students and parents in the case of a student being unwell or injured. The student MUST report/have a member of staff or other student alert student support staff of their illness/injury and STAFF contact the child's parent/guardian. The student must not contact someone to collect them themselves, in the case that they happen to do so – this will result in this being logged as an unauthorised absence.

Letters/DiningHallarrangementsMay2019/SFR/ERS

2nd May

Dear Parents,

It has become necessary for us to have work completed in the dining hall in preparation for the upcoming GCSE and A-Level examinations and this work will be carried out on Tuesday (7th) and Wednesday (8th) next week.

To allow this work to be completed we will be running an alternative lunch service as below:

- The main hall will be open for students to eat their packed lunches as normal
- A 'main meal' and 'hot and tasty pot' service will run in the main canteen, accessible from the main hall. No other food will be served in the main hall
- Years 7 and 8 will be able to access 'Grab and Go' and sandwiches from The Pod
- Years 9, 10 and 11 will be able to access 'Grab and Go' and sandwiches from The Hatch

We are confident that we will be able to provide a service to all of our students however, we do anticipate queueing times to be increased and therefore some students may decide to bring their own snacks or packed lunch over these two days.

Normal service will resume on Thursday 9th May.

Kind regards,

Mr S Fuller
Business & Finance Director
