

# Highcliffe School Student Bulletin

Monday 29<sup>th</sup> March - Thursday 1<sup>st</sup> April 2010: **Week B**

*Thought for the week:*

*No matter how long the winter, spring is sure to follow. Proverb*

**Spelling Bee:** 4 students from Highcliffe School took part in the regional heat of the National Spelling Bee. They were Kathryn Moses, Tom Spencer Jones, Bethany Amos and Luis Dibdin. They did fantastically well, grappling with very difficult words. For example, could you spell "resurgence" on a stage, with lights upon you, in front of a lot of people without being able to check? We came joint first in the first round with Kathryn Moses as "the last one standing". In the second round, we went for the hard category of words and needed 6 right to win ... but got five ending up behind the winners by just a single point! Well done to all four and please pass on your congratulations if you see them.

**School Shop:** The school shop remains open on Wednesday and Friday break-times, where you can buy various items of stationary, handmade cards and various other items. Please support us, as 50% of our profits will go to charity. Please note - After the Easter holidays the shop will be located in front of HU5/6 (near the table tennis tables) If the Weather is wet, the shop will be moved inside Hu6. If anyone (Year 7-13) would like to help with the running of the shop - please see Mrs Downie.

**Instrumental Music Lessons:** A reminder to all IMS students that invoices have been given out and payment is now due for next term. Monies need to be in before the end of the week to avoid missing the first lesson back after the holidays.

**Year 7 GRIP - Gaining Respect in People (Mr Barnes and Mrs Stone):** Tutor groups 7.6, 7.7, 7.8 and 7.9 will be taking part in a number of activities on Monday 29<sup>th</sup> March. They should make sure they know where they are going for each lesson and they should turn up promptly and in full correct school uniform. We hope it will be an interesting and informative day.

The other Year 7 tutor groups will follow the same programme on Friday 30<sup>th</sup> April.

**Design Technology:** Any students that have projects to collect from the past few months should come to get them before the Easter break. Any products not collected will be recycled directly after the holiday so make sure you come and get your excellent outcomes.

### Music Notices
