

# Highcliffe School Student Bulletin

Monday 21<sup>st</sup> - Friday 25<sup>th</sup> June 2010: **Week A**

*Thought for the week:*

*There is always room at the top - Daniel Webster*

## **Geography in animation - Calling all Year 7 Geography students!**

The geography curriculum area are offering the chance for students in Year 7 to join the new '**Geography in Animation**' Club.

The club will use modern animation software to design and make videos about earthquakes, volcanoes, destruction of the rainforest, and many more exciting topics.

If this sounds like something that would interest you please come to Hu1 on Wednesday 23<sup>rd</sup> at 12.30pm to find out more. Please note that **places will be limited** so if you are interested make sure you attend the meeting!

**Year 9 French Exchange Visit to Cholet:** 10 Year 9 students from Highcliffe will join with 10 students from Ballard School and travel to Cholet at the weekend to stay for a week from 19<sup>th</sup> - 26<sup>th</sup> June with their French penfriends. They will be accompanied by Mr Hill and Mrs Lisa Khalil from Ballard School. You can follow their progress on the Cholet Exchange blog on the school website.

## **Saturday 26<sup>th</sup> June - Sunday 27<sup>th</sup> June**

Practice Expedition in the New Forest. 52 Year 10 Students, 12 Sixth Form Students and 14 staff will be spending the weekend camping, cooking and orienteering in the New Forest. There will be a meeting for all participants at 12.40pm on Wednesday in the Performance Hall.

Reply slips for the letters handed out in the last training session need to be returned to Mrs Kelly by Wednesday. Good Luck to all!

**International Magazine** - Thank you to all those who expressed an interest in being a part of the International Magazine. We have had so many students interested that it will be necessary to have a selection process. Please attend a meeting on Thursday 24<sup>th</sup> June at the start of lunchtime. During this meeting you will be expected to do some writing connected with the magazine.

**Science Club:** Thursday's meeting on 24<sup>th</sup> June is our Grand Finale for the year - silvered glass balls!

**Music Lessons:** a general reminder to all IMS students - keep checking the notice board for any changes or extra lessons as teachers may be doing catch up lessons during this part of the term.

**Ecoclub:** We have limited plants available for sale - peppers and some tomatoes. If you fancy 'growing your own' over the summer we are selling these plants for the bargain price of 50p! More details - see Mr Craven in Sc9.

**Kickboxing:** Year 7 / Year 8 - did you know there is a kickboxing activity on Friday afternoons after school? We currently have space for four more people and we are currently training up for our first kickboxing grading. If you are at all interested see Mr Craven in Sc9 for further details.
