Year 10 Work Experience: A reminder that the purple form with your work experience choices form were due in on the 3rd December. Please hand them in to the 6th form office as soon as possible. We will wait for you to let us know if the employer confirms you can go.

We will be holding a support session after school in IT3 for anyone who needs some time with staff to help them look through the database or discuss placement options.

Switch Off Fortnight: Your help with 'switch off fortnight' is much appreciated. We were the only school in the pilot scheme to show an energy reduction which is quite an achievement. Due to the cold snap and snow fall most schools increased their electrical energy use- we were able to turn off enough appliances to reduce our energy usage despite the arctic conditions. Many thanks for your help so far, please continue to be vigilant and switch off lights and appliances when they are not needed.

I WONDER..... Can you think of two things at the same time?
