Southampton to Shanghai in 40 Days- in Support of the Alzheimer's Society: On 2nd July 2011, 3 ex-Highcliffe students, 2009-2010 Head Boy Samuel Joynson, 2010 Top-A Level Achiever Adam Sloper, and aspiring film director Michael L Worrall, will be embarking on a charity expedition across Eurasia in aid of the Alzheimer's Society. After each experiencing a close relative's decline with the disease in recent years, they decided that they would take part in a project that would raise awareness of the disease, especially among young people, and would raise money for the Alzheimer's Society charity.

Such a project, originating from an idea in a Year 11 Highcliffe School Philosophy and Ethics lesson, has taken the form of an entirely self-organised and self-funded overland charity expedition from Southampton to Shanghai, which they have challenged themselves to complete in just 40 days.

They would be very grateful for any help you can give in terms of donations and/or raising awareness of the disease. Donations can be made at www.justgiving.com/samuel-joynson0 or on the sponsorship form in the staff room. (All donations go directly to the Alzheimer's Society, as the entire expedition is self-funded by the three Highcliffe Students).

Bikeability courses: Don't forget to return your application form and payment for your Bikeability course as soon as possible and in any case by Friday 8th July.
