

Highcliffe School Student Bulletin

Monday 28th May - Friday 1st June 2012: **Week A**

Thought For The Week

Nobody can give you wiser advice than yourself - Marcus Tullius Cicero

Literacy -Common Spelling Errors:

How do you spell the following?

"There" for location and "Their" as in when some people own something.

"Practice" as is "practice" and "practise" as in "I practise my passing every day."

Hints to remember: "There" has "here" in it.

"Practice" is a noun and "practise" is a verb.

Friday 1st June - Mufti Day: There will be a 'mufti' day on Friday 1st June for all students. The theme of the day will be the Queen's Diamond Jubilee and will therefore have red, white and blue as the colour scheme for 'mufti'. All students are asked to donate a minimum of £1 on the morning of Friday 1st June to their form tutor. The proceeds from the 'mufti' day will go towards charities nominated by each Year Team and to our partner school in Kenya with which the school is linked as part of the BBC's Olympic Dreams programme for 2012.

The **Ecokids** recycling team is due to collect on **FRIDAY 1st JUNE**. Please have a look through possible items to bring in! The Ecokids bags have been distributed, but they will accept items in other bags if you have a lot of recyclable material!

PLEASE:

- i) Check through the Ecokids list as to what they will and will not accept before bringing items into school
- ii) **ONLY** bring items in on the morning of June 1st- we have limited storage space in school and aim to have a rapid turnaround of items coming in before morning registration and then being collected almost immediately to avoid unnecessary disruption.

Any queries please contact Mr Craven!

Now that the warm weather seems to have arrived, I would like to remind you all please to make sure you have a bottle of water with you in school. There are water fountains and taps available to fill up bottles and of course you are able to come to the medical room for a drink. However, in the last few days the medical room has been extremely busy with students needing drinks so having your own bottle to fill up is much easier.

Not drinking enough can lead to dehydration which can cause headaches and lack of concentration so remember those bottles! Thank you. Mrs Thompson.

All Tesco and Sainsbury's vouchers need to find their way to the PE office by Wednesday 30th May. They need to be counted and labelled with the tutor group on before they are handed in.

Year 9 Debate Club will be debating the following topic this week. If you're in Year 9 and feel you'd like to make a contribution in a formal debate setting, come along on Wednesday lunchtime at 1.20pm.

Numeracy Challenge

At a party for the Queen's Diamond Jubilee, one-half drank only lemonade, one-third drank only cola, fifteen people drank neither, and nobody drinks both.

How many people were at the party?

Answers to be placed in the box in MA7 by Friday 15th June
