

Highcliffe School Student Bulletin

Tuesday 2nd – Friday 5th May 2017: Week B

General Notices

Calendar change (BRD)

Please note the 3:2 days will now start on Monday 15th May not Tuesday 2nd May.

Japan 2018 – Would you like to go to Japan?

The school is organising a trip to Japan in October 2018. If you're interested in going, please let Mr Bryden know either by phone or with a message to the school office, and he can contact you to give details. There is a letter on the website with more details. Mr Bryden.

Investigating Options Subject Day at Oxford University: Year 11 (VDN)

Applications have just opened for the **Investigating Options Subject Day** covering **Medicine, Humanities, and Social Sciences** at Oxford University. These events will take place in Oxford, and are designed for *Gifted and Talented Year 11 students* who would like to learn more about university, subject options, and Oxford itself. A synopsis and link to sample programmes are here:

Investigating Medicine Sample Program

The **Investigating Medicine Day** will be held on **Saturday 1st July**. It will include information on making a competitive application for Medicine, career paths, and the opportunities available through studying related courses, as well as academic taster sessions in Medicine and related subjects.

Investigating Humanities Sample Program

The **Investigating Humanities Day** will be held on **Saturday 8th July**. It will include information on the different Humanities courses available and career paths. Students will take part in taster lectures and seminars, and will have the chance to experience a mock Oxford tutorial.

Investigating Social Sciences Sample Program

The **Investigating Social Sciences Day** will be held on **Saturday 15th July**. It will include information on the different Social Science courses available and career paths. Students will take part in taster lectures and seminars, and will have the chance to experience a mock Oxford tutorial.

The events are free of charge, **applications are made by students**, and we ask that they nominate a teacher at their school to support their application.

The application form is available here: Year 11 Investigating Options Subject Days 2017. The deadline for applications is **12 Noon on Wednesday 31st May**.

For more information about the Pathways Programme, please visit <http://www.pathways.ox.ac.uk/>.

PE Notices

QUIET PLEASE

GCE/GCSE Examinations – Exams start this week. They will be taking place in many different venues around the school until the end of June and may continue through break and after school. Please look out for the ‘Quiet Please’ notices and remain very quiet in these areas. The students taking examinations will appreciate your consideration for them.

Please could all students taking exams remember to check the seating plans, displayed on the dining-hall windows, before every exam.

Y10 Science Exam - Tuesday 2nd May periods 1&2 in the hall (SCN)

Students should go down to the hall at 8.50 and line up in order of tier of entry (Foundation and Higher) and then teaching group. Seating lists will be on the dining room windows. Please ensure you have correct equipment with you; black pens, pencils, rubbers, rulers and **CALCULATOR**. You must not have any electronic devices on you. The exam is 1h 30m and is on all the modules you have done in Y9 and Y10

Biology: Cell Biology, Organisation, Infection & Response

Chemistry; Atomic structure, Bonding, Quantitative Chemistry, Chemical Changes

Physics: Energy, Electricity, Particle Model of Matter

Exam Qs will also include mathematical and practical skills Qs.

This exam involves **all of Y10** apart from those students in 10Sc6x who should go to Jubilee and those on the Oxbridge trip who will complete their exam during tutor, L1 and L2 in EN8 on Wednesday 3/5/17.

Clubs and Revision Sessions

STEM Tech club

Takes place on Wednesdays each week. The club has started well with 6 teams of students signed up to enter the BP Bright Ideas competition to design a solution to power a city on the south coast in 2050. The students were all working hard to start initial ideas for this challenge, which we are aiming to complete just after February half term to be in with a chance of a substantial cash prize! James, Beth and Pat

Year 10 Introductory to Photography (MMS)

An introductory to Photography class will be running on Tuesdays afterschool 3.15pm-4.15pm. The class will be for a maximum of 15 students and will be on a first come, first served basis. If you are interested, please speak to Mr Matthews.

Literacy

Whole-School Literacy

Spelling Focus: Closing the Gap

Here are two words that are commonly misspelled:

- excitement
- disappear

Questions:

1. Where are these words' Danger Zones?
2. What strategies would you use to remember the spellings? (There is a different strategy for each spelling.)

Here are some options:

Answers:

1. The Danger Zones for the above words are:
 - excitement (sometimes the "c" is missed out)
 - disappear (sometimes people put in an extra "s" or miss out a "p")

2. Here are some strategies:

a/ Link the word with a similar word:

With the word "excitement", it is the "c" that people miss out. Therefore, you could link the word with "city". You can say, "I get excited" in the "city". This will remind you to put a "c" in "excitement".

b/ Disappear – Remember that "the prefix never changes" so it is always going to be "dis+appear". This is the same as "dismiss", "disappoint", "discuss" etc.

Your Challenge

Last time, I asked you to think of a way to remember the spelling of "friend" and Elissa Fordham in 7.3 came up with this idea:

"a way to remember friend is that there is end on the end of friend and friendships never end."

Elissa used the "word within a word" technique and I gave her a commendation.

This week's challenge:

People often forget to put a "p" in "disappoint" or "disappear". Can you think of a way to remind yourself to do this?

Let me know and I will give you a commendation!

Let me know and I will give you a commendation!

Artisan Theatre School

*We give our students the belief
and confidence to find their inner spark.
Providing a platform to pursue
their dreams in the arts.*

9.30am-10.00am (ages 2½-3½)

10.15am-10.45am (ages 3½-4)

Free Taster Session at newforestsoccer.co.uk

The New Forest Academy May-July 2017

New Forest Academy Centres

Official Club link to the AFC Bournemouth Academy

The New Forest Academy supports and develops our players by providing the highest level of Coaching and elite fixtures against the top Academies from across the region, including our link club, AFC Bournemouth. Our NF Academy does not impact on players continuing to play for their Sunday team or attending other courses with us, but is there to prepare players for elite level Academy performance.

18 of our NF Academy players have already progressed into the AFC Bournemouth set up and as a result we are one of only three Academies from across the South with an official link with AFC Bournemouth Academy, offering the following benefits to our players:

- Sharing the same coaching syllabus with AFC Bournemouth ID Centres.
- Coach Jesse & Coach Hugh from the NF Academy perform a scouting role for AFC Bournemouth and liaise regularly on player progression with their Head of Academy recruitment, Carl Robson.
- NF Academy teams are invited to attend the AFC Bournemouth festivals held at their Academy training ground during the School Holidays, competing against AFC Bournemouth and other elite Academies.

To discuss your child attending a trial for the NF Academy please contact the Coaching team on 01590 381311 or email info@newforestsoccer.co.uk.
